*America's Move to Raise a
Healthier Generation of Kids*

Tips for helping children develop healthy eating habits:

Fruits & Vegetables

- ▷ Kids should eat five fruits and vegetables a day
- ▷ Serve fresh, frozen, and canned fruits and vegetables; they all count
- ▷ Provide fruit or carrot sticks as great snacks
- ▷ Offer 100% juice, with no added sugar
- ▷ Mix vegetables into dishes, like adding peas to rice, or cucumbers to a sandwich

Cecilton Park

The pavilion at the park is available for rent by groups or individuals throughout the spring, summer and fall seasons. Anyone interested in renting the pavilion should contact the Town Office for reservations. The cost of the rental is \$100.00 (\$75.00 for the rental and \$25.00 deposit). The deposit will be returned upon request after the event if the park has been left clean and the way it was found. There is also electric, water and a grill at the pavilion. The tennis courts, basketball courts and playground can be utilized during the rental period. Alcoholic beverages are not permitted in the park area.

Water/Sewer Bills

Water/sewer bills are enclosed for the quarter. Late fees will be assessed on Monday, June 13, 2011 and shut off on all unpaid bills will be Monday, June 27, 2011. Please pay water/sewer bills in full and in a timely manner. If not paid in full by shut off date the water/sewer will be shut off and the delinquent amount will be turned to Cecil County as a lien on your property. Owners of rental properties are responsible for the water/sewer bills. If the tenants do not pay the bill and the owners refuse to pay then billing will be turned over as a lien on the property.

Please help keep our Town the nice, charming little place we all love by doing your part.

- * **UNSIGHTLY PROPERTY:** If your property has an accumulation of materials, objects or any collection of goods or possessions, it may cause a nuisance to your neighbors by providing a haven for insects and rodents, which in turn may attract reptiles. Excess storage on a balcony, porch or in the yard is unsightly. **Please be a good neighbor.** Take the time to ensure that goods stored on your property do not create a nuisance to neighboring properties. **Remember trash, rubbish, junk or other accumulated materials or objects which create "an unsightly appearance" should not be visible from any point outside of your premises.**
- * It shall be unlawful to operate **ATVs, four-wheelers, go carts, dirt bikes, off-road or any other type of so-called recreational vehicles along with any unlicensed, unregistered, and uninsured vehicles, motor scooters, etc.** on Town owned property, which shall include sidewalks, streets, parks, or any other property within the incorporated municipal boundaries of the Town of Cecilton. This infraction shall result in the penalties as set forth in Title 27 of the Maryland Vehicle Law. Each day such a violation continues shall constitute a separate offense.
